For Immediate Release - May 23, 2013

SALEM POLICE PLACE ADDITIONAL CHARGES AFTER GRAND JURY INDICTMENTS

On May 23, Dewayne Barger surrendered himself at the Salem Police Department and was arrested and charged with 17 counts of Unlawfully Videotaping Person(s) under the age of 18 without Consent. These charges are the result of the ongoing investigation into Barger, who was initially charged in March of this year with Producing Child Pornography and Child Pornography Possession.

On May 17, a Salem Grand Jury was presented with the facts of the investigation that allege on October 14, 2012, Barger placed a covert camera in a room where juvenile females associated with his travel volleyball club were changing clothes. The investigation revealed that the recording occurred at a Salem church that Barger had been given permission to use for team functions.

Barger was taken into custody this morning without incident and released on an existing \$50,000 bond.
