

# DATES OF CAMP 2016

## PHILOSOPHY OF CAMPS:

The Salem Parks and Recreation has provided summer camps for the youth in the City of Salem for over 20 years, giving kids the opportunity to experience the fun of various activities throughout the summer. Each sports camp is taught by Salem High School Head Coaches, some of the premier head coaches in the Roanoke Valley. Camps also offered include Ceramics, Art, and Forensics. Our Salem Junior Golf Camp is taught by teaching professionals at Hanging Rock Golf Course, making it a great introduction to the game of golf. This year we will be offering our first "Future Spartan Camp" which is for ages 3-6 and will cover the fundamentals and basics of multiple sports.

Starting at only \$10, the City of Salem offers elite camps at an affordable price. Camps are for rising 2nd-9th graders unless otherwise noted.
