

2015 FALL SPORTS PLAYER EVALUATIONS EQUIPMENT HANDOUT DATES

WHAT ARE PLAYER EVALUATIONS?

These evaluations are used to help the Salem Sports Office evenly distribute players amongst all teams in the league. In a fun and relaxed atmosphere, participants will be put through a variety of skill/athletic drills relating to that particular sport. Evaluations are managed by the Sports Office staff and individual results are not made public. Depending on the number of participants, evaluations generally last around 45 minutes.

WHAT TO WEAR / BRING

Players should come dressed in appropriate sports attire. There is no need to bring a ball to any of the evaluations. Water or sport drinks are optional.

WHAT IF I CAN'T MAKE IT TO THE EVALUATIONS?

We encourage every participant that's registered to try their best to attend the evaluations. However, we also understand that sometimes things come up and you can't make it. If a participant is not present for the evaluations and his/her ability level can't be confirmed by a Parks and Recreation Staff member prior to the draft – that participant's name will be placed in a hat and randomly assigned to a team once all other registered participants have been selected.

WHAT HAPPENS AFTER THE EVALUATION?

Typically team drafts are scheduled within a few days after the evaluations. Once coaches have selected their teams they will notify each player with specific practice time information.
